

## Pressed Flower Information

- \* All arrangements are created with Your Pressed Flowers & Greenery.
- \* All flowers are hand dyed to preserve the color and to prevent fading when exposed to sunlight.
- \* You may also wish to include some memorable pieces of lace, fabric or ribbons from your gown or bouquet. Please send photo of bouquet. It should be included with your order and it will be returned.
- \* All pieces, except the Stained Glass, have a deep hand beaded relief border and come in your choice of polished silver, copper, or pewter finish.

## Pressing Instructions

1. Please call at least 2 weeks before the Wedding to request a Pressing Packet. Press is sent at no obligation to order, but there is a \$12.00 charge for the packet, which includes the following:
  - a. Press with complete Pressing Instructions
  - b. Return envelope & mailing label
  - c. Order Form
2. If somehow you forget to get your press before the ceremony, you can call for "emergency" pressing instructions up to 3 or 4 days after the wedding, or just visit our Web Site. If possible please refrigerate flowers. DO NOT FREEZE OR DRY.
3. The day of the Wedding (or up to 1 week after) while flowers are still fresh, press flowers per instructions. This is a very simple process and can usually be completed in less than one hour.
4. Complete the order form and return it with a check or credit card, press and any extra pieces of lace or ribbon that you want included in your Wedding Window, and a photograph which will be returned.

Thanks, Kim and Peter
